 Benjamin M. Rice

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the twelfth of March next, at eight of the clock in the forenoon, (Polls close at 1 P.M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for the maintenance of the Police Department, the Fire Department, Gypsy Moth and Dutch Elm Disease, Civil Defense, for the laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Memorial Day, Community Christmas Tree, Adams Playground and Pool, Putnam Park, Peterborough Band, Monadnock Region, Town Planning Board, and for any other charges arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust or otherwise by any individual or individuals.

Article 6. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the future purchase of equipment for the Highway Department, the Police Department and the Fire Department as recommended by the Planning Board, or take any other action relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Ninety Four Dollars and Fifteen Cents (\$894.15) provided the State gives Five Thousand Nine Hundred Sixty One Dollars and Two Cents (\$5,961.02) for the construction of Class V Highways.

Article 8. To see if the Town will vote to construct an additional twelve hundred feet (1200 ft.) of road extension of Goyette Drive, from its present terminal to Mercer Avenue, and raise and appropriate money for the same, or take any other action relating thereto.

Article 9. To see if the Town will vote to appropriate a sum not exceeding Fifteen Thousand (\$15,000.) for the purpose of making improvements to the following Class V Roads within the Town:

HIGH STREET — From junction of High and Vine Streets to end of former TRA Construction at or near Colony Hall at MacDowell Colony.,

such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 83, Laws of 1951 as amended by Chapter 31, Laws of 1953, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Peterborough.

Article 10. To see what sum of money the town will raise and appropriate to a sidewalk construction on the west side of High Street to the junction of McDowell Road, or take any other action relating thereto.

Article 11. To see what sum the Town will raise and appropriate to purchase 12" pipe, to replace the existing sewer and storm drains on High Street, or take any other action relating thereto.

Article 12. To see what sum of money the Town will raise and appropriate for the repair or construction of the bridge over the Contoocook River on the Morison Road, or take any other action relating thereto.

Article 13. To see if the Town will instruct the Selectmen to purchase a new Dump Truck to replace the 1945 Mack Truck, dispose of the Mack Truck, and pay for the new truck from money now held in the Highway Department Reserve Fund, or take any other action relating thereto.

Article 14. To see if the Town will instruct the Selectmen to purchase a new Jeep 4 wheel drive Pickup Truck and snow plow, dispose of the present 1946 Dodge Pickup, and pay for the new Jeep with money now held in the Highway Department Reserve Fund, or take any other action relating thereto.

Article 15. To see if the Town will instruct the Selectmen to purchase a new Sidewalk Tractor Plow, and dispose of the present Tractor-Plow, and pay for the same from money now held in the Highway Department Reserve Fund, or take any other action relating thereto.

Article 16. To see if the Town will vote to officially name one or more of its new streets or roads.

Article 17. To see if the Town will vote to make River Street a one-way street upon which vehicles shall proceed from Elm Street to Main Street only, and any violation subject to a fine not to exceed Twenty Dollars (\$20.00).

Article 18. To see if the Town will vote to withdraw the funds set aside in the Capital Reserve Fund for the Union Street and Union Street Sidewalk, and apply the same to the General Funds of the Town, or take any other action relating thereto.

Article 19. To see if the Town vote to adopt the Zoning Ordinance and Building Code presented by the Planning Board, and raise and appropriate money for the same, or take any other action relating thereto.

Article 20. To see if the Town will vote to develop the Swimming Pool area by making a permanent skating rink this year, to acquire additional land on the westerly side of the so-called Seccombe Lot for the present and future development of such recreational facilities as may be determined by the Recreational Committee and raise and appropriate a sum of money from the Albert W. Noone Trust Fund and to take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to improve and beautify Putnam Grove for use as a public park in accordance with the deed of gift of said Grove to the Town; said appropriation to be administered by a special committee appointed by the Selectmen for that purpose; or enact anything relative thereto.

Article 22. To see if the Town will instruct the Trustees of the Trust Funds to pay over to the Town Library Trustees a sum of money sufficient to finish and equip the addition to the Town Library now under construction. Said money to come from the Eben W. Jones Library Building Trust Fund set up by will and accepted at the Annual Town Meeting, March 11, 1941.

Article 23. To see if the Town will vote to raise the salary of the Highway Agent, or take any other action relating thereto.

Article 24. To see if the Town will vote to install the following street lights:

Two 1000 lumen street lights on East Hill Road, and raise and appropriate money for the same, or take any other action relating thereto.

Article 25. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in antici-

pation of collection of Taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 26. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 27. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-third day of February, in the year of our Lord, Nineteen Hundred Fifty-Seven

REPORT OF THE BUDGET COMMITTEE

The Budget Committee met originally with the three members of the School Board and the District Superintendent on February 4, 1957. At this meeting the School Board presented their proposed budget for 1957-1958. Then, at a second meeting of the two groups on February 18th, the Budget Committee suggested reductions in approximately nine of the twenty-seven separate items on the School Budget. After some discussion the School Board agreed to modify their proposed budget in all but one or two of the suggested items.

The matter of the Teachers' Salaries was the one item which caused the greatest controversy and which received the greatest attention on the part of the Budget Committee. The figure originally proposed for this item was \$146,333.00, representing more than one half of the entire School Budget. The Budget Committee recommended that the figure be reduced by \$7,600, giving a value of \$138,733. The School Board felt very strongly about the matter, however, and, rather than accept the Budget Committee's recommended reduction, finally compromised with a figure of \$142,533, by eliminating the proposed non-teaching principal for the elementary school.

Because the School Board members were so emphatic in their arguments to support the increased salary figure, and because they obviously had put a great deal of time and study into the matter, the Budget Committee feels that it is only fair to present here the gist of the School Board's argument.

The School Board feels that the Peterborough school system stands at a critical crossroads regarding its future operation and effectiveness as an educational center. Their researches and observations have convinced them that, because of changing conditions, the people of Peterborough must modify their conception of standard salary levels for teachers. Aside from a steadily increasing student enrollment and a corresponding rise in the number of teachers required there is in effect in most parts of the country a pronounced over-all rise in teachers' salaries. This one simple fact is the crux of the whole issue. Unless we pay our teachers what they can get in neighboring states they will leave us in favor of the more attractive salaries.

The Salary Schedule which the School Board had drawn up appears at first glance to represent a substantial across-the-board raise in salary for all the teachers. The point the School Board made regarding these blanket raises is that they represent an attempt to bring the average salary level up to the point where it is more consistent with other New Hampshire communities of comparable size, as well as to correct serious inequities which have existed for a number of years among the teaching staff. The School Board feels that once this new average salary is established the salary schedule now in effect will enable the whole salary picture to become stabilized.

On the other side of the picture is the fact that if the School Budget is accepted as presented, even with the modified Teachers' Salaries figure of \$142,533.00, and if the Town Budget is accepted as presented, the tax rate will be very close to \$40 per thousand compared to last year's rate of \$35 per thousand.

In the last analysis the whole issue of the increased teachers' salaries is in the hands of the townspeople of Peterborough, and the Budget Committee feels that it will have carried out its obligations to these townspeople if it presents both sides of the question as completely as possible. Then, with an adequate background, the voters can settle the matter according to their own judgment.

TOWN BUDGET

In past years it has been customary for the Budget Committee Report to include an item-by-item commentary on the various items appearing in the Town Budget. Rather than take up space saying that such-and-such item is approved we will confine our comments in this report only to those items for which we feel special action is recommended. Thus if a budget item is not commented upon it is to be assumed that the requested appropriation is approved by the Budget Committee.

Article 12 in the Town Warrant involves the repair or reconstruction of the "Iron Bridge" over the Contcacock River on the Morison Road. It is the recommendation of the Budget Committee that no town money be appropriated for this project until the State Highway By-Pass issue is settled. There is the possibility that the bridge in question will be directly or indirectly involved in the new road construction, and the town might regret a premature decision on bridge expenditures.

Articles 13, 14 and 15 pertain to the purchase of a new dump truck, a new Jeep pick-up truck, and a new sidewalk tractor plow. The Budget Committee has reviewed the highway equipment status and endorses the proposal to purchase the three pieces of equipment.

Article 18 refers to the possible withdrawal of funds now in the Capital Reserve Fund for the Union Street and Union Street Sidewalk and the application of this amount to the General Funds of the Town. The Budget Committee introduced this article with the idea of easing to some extent the total town budget appropriation figure. The Committee feels that the proposed State Highway construction program may very possibly de-emphasize the need for the Union Street modifications, and that the money set aside for the modifications would therefore be serving a more useful purpose if it were made available for other more pressing applications.

Article 20 proposes the construction of a permanent skating rink near the present swimming pool on Union Street. The Budget Committee feels that the presence of a skating rink

would be appreciated by a large cross section of the townspeople and that the expense involved in constructing such a rink would be well justified.

Article 21 is to see if the town is willing to appropriate \$1,000 to improve and beautify Putnam Park. In view of the existing controversy on the subject of Putnam Park the Budget Committee recommends that the whole subject of the disposition of the Park be turned over to the Planning Board for detailed study. In this way the efforts to arrive at a plan suitable to the majority of the townspeople can be organized and integrated. The Budget Committee has encountered a number of good suggestions regarding the development of Putnam Park and would like to see these suggestions acted upon by a central clearing house. The Planning Board seems to be the logical choice to serve as such a clearing house.

Article 23 pertains to a raise in salary for the Highway Agent. The Budget Committee recommends the figure be raised from its present \$75 per week level to \$80 per week.

Highway Department: In an effort to economize wherever possible the Budget Committee recommends that the Summer Maintenance appropriation be reduced from the requested sum of \$16,000 to \$15,000, and that the Oil appropriation be dropped from \$15,000 to \$13,500, and that the sum of \$17,500 for snow removal be reduced to \$15,500. These three reductions would save the town a total of \$4,500.

Christmas Tree: The Budget Committee would like to suggest that the townspeople consider the possibility of planting a permanent Christmas Tree in some suitable location. Such a move would not only eliminate this item from our annual Town Budget but would also serve to beautify some presently drab street corner.

Respectfully submitted,

EARL N. SHULTZ, Chairman

REPORT OF THE WATER COMMISSIONERS FOR 1956

In the early spring, the Ralph W. Payne, Inc., of Keene, N. H. completed the installation of main line extensions at Old St. Road, East Hill Road, MacDowell Road, Off Bridge St., and the New Hampshire Ball Bearings, Inc., at South Peterborough.

We also lowered the main on Goyette Drive and Central Street to prevent freezing.

During the year we had twenty four applications for new services, as well as furnishing twenty four new meters.

As you will note from the balance sheet our total assets are \$424,629.30 as of December 31, 1956. Our total funded debt is \$137,000.

Our reserve for depreciation is \$86,479.50, only \$32,000 of which is in our Capitol Reserve Fund. One reason this fund is so low, is profits from operations in past years were used for current expenses, main line extensions, etc., to the end no surpluses were on hand with which to build up this fund. Until such a time as we can build up our depreciation reserve account in our Capital Reserve Fund to equal our reserve for depreciation account we are not in a position to install main line extensions only on a thirty day net basis.

Our net operating profit of \$17,115.54 plus interest on our Capital Reserve Fund brought our total profit to \$18,089.77 and after paying \$9,000 on the principal of our funded debt, plus \$3,093.75 interest on same left us a net of \$5,996.02 or about one and four tenths per cent as an investment of about \$425,000.

LOUIS TEIXEIRA
FORREST C. MERCER
CHESTER F. DUTTON

LIBRARIAN'S REPORT FOR THE PETERBOROUGH TOWN LIBRARY

To the Trustees of the Peterborough Town Library:

With a magnificent sense of accomplishment concerning the library year of 1956, and with materializing objectives for 1957, we present the annual Librarian's Report:

The town of Peterborough had a red-letter day on December 8, 1955, although only four persons were aware of this. This was the day when the trustees and the librarian huddled around the grumbling, belching furnace in the boiler room of the Peterborough Town Library and discussed the addition of an annex to be constructed with funds provided by the will of Mr. Eben Wilson Jones, selectman, and trustee of the Peterborough Town Library for 50 years. On January 9, 1956, the group met with Mr. John R. Holbrook architect, of Keene, who assisted with blueprints based on the trustees' plans. In July, 1956, T. H. and E. J. Bergeron, contractors, of Keene, commenced the erection of the annex. At the present writing, the interior is incomplete, but facilities will soon be available for an adult reading room, librarian's office, smoking room, and two completely secluded carrells.

We now have the institution or the building, and within a very near future, we shall be prepared to serve the town in a more extensive manner than we have done in the past.

Playwright William McCleery has contributed the following concerning our library:

"Somebody once suggested that the following legend be inscribed over the entrance to a college library building: 'This is not the library. The library is inside.' As one who has spent a good deal of time inside the Peterborough Town Library, and would hardly be able to ply his trade here without it, the contents of that beautiful ivy-covered brick building are surprisingly extensive, varied, and up-to-date, and the service is remarkably unbureaucratic."

Volumes in library, December 1955	27,626
Volumes purchased	898
Gift volumes	252
Volumes in library, December, 1956	28,776
Periodicals purchased	55
Gift periodicals	10
Art reproductions	35
Pamphlets	108
Pictures circulated	458
Picture puzzles circulated	123
Reading material borrowed from New Hampshire State Library, Library of Congress, and other sources	410
Books rebound	512

1956 registration	346
Reading room attendance	8,345
Volumes circulated	38,552

Probably due to the highly-paced world in which we are living or racing, it is often difficult and expensive to obtain volumes on some of the most recent political, social, psychological developments. Periodicals do satisfy this need to some extent, but librarians are also taking advantage of pamphlets which quite often may be obtained free or purchased for a few cents. Although they may not be quite so reliable as an article from the encyclopedia, they do serve our needs when occasion demands. We have, therefore, organized a pamphlet service covering such sundry topics as "A New Constitution for New Hampshire," "Your Social Security," "Building Your Marriage," and "When Fifteen and Fifty Disagree." These have not received the circulation they deserve, as it has been impossible to display them advantageously. We hope the Eben W. Jones Annex will resolve this difficulty.

Being human, we have always welcomed constructive criticism and friendly observations from the public. May we share with you a patron's comments:

"Dark winter afternoons and cold winter evenings have found the reading room a gathering place for all ages. There have been increasing numbers of the very young in their happy contact with the privileges and delights entailed by a library card. There have been swarms of high school students in search of reference material or the latest copy of *Holiday*, or a quiet place to study for a Latin test. The reading room has charmed young mothers who have made good use of the Library's new pamphlets on subjects ranging from "Discipline Through Affection" to "How to Cure Your Leaky Basement." Harassed parents of that perennial enigma, the teen-ager, have turned for aid to "The Adolescent and the Family" or for relaxation to *The Dinner Party*, or for comfort to *New Hopes for a Changing World*.

"Sometimes the friends of the Library have found that the most agreeable of all sensations is simply to forget the cares that infest the day, to sink into one of those incomparably cordial arm chairs and listen to the gentle music that comes unobtrusively into the reading room."

With consistent thoughtfulness and generosity various organizations and individuals have presented gifts and books to the library: Mrs. Charles W. Harrington presented a beautiful exterior American flag. The ladies of the Cheney-Armstrong Unit #5, American Legion Auxiliary, have continued their custom of placing one volume each month in the library. Memorial books or memorial funds have been given to the library in memory of some of the town's most beloved men and women: Dr. Herbert Flewelling, Mrs. Amelia E. Morison, Mrs. Ola Myhaver, and Mrs. Anna Mathilda Goyette.

Yes, the library has tried to honor those who are no longer with us, and the same time to serve an active Peterborough public. A newcomer to town, Miss Eula G. Ferguson, once expressed her feel-

ings concerning the library this way: "As a newcomer to Peterborough, I wish to express my joy in finding a library open daily, staffed by friendly people, where modern books are attractively displayed and standard volumes are easily found. Recently, I have been pleased to see the library filled with students preparing for their classes, and the corner to which the children rush is evidence that devotion to the library habit is being developed early in their lives."

The past year has witnessed one enlightening improvement as far as the books in the upper stacks are concerned. These stacks lost their Victorian globes, and new, bright, beautiful fluorescent fixtures with rapid start ballasts were installed. Another improvement was the creation of a postage-stamp workroom, which has proved to be an efficient and welcomed addition. Under the supervision of the president of the Woman's Club, Mrs. Daniel F. Eneguess, a Community Calendar has been installed in the library. This lists the various social activities and meetings of the innumerable clubs and organizations in Peterborough, thus eliminating many conflicting events.

In a thoughtful frame of mind, Mrs. William McGreal, our town's Elizabeth Yates, once reported that statistics are sobering; sometimes challenging. As a nation, Americans read a little better than three library books a year; in Peterborough, something approaching fifteen library books are read. That is high even for New England. Probably other towns do not have the books available; probably other towns do not create the atmosphere or the overtone that would be conducive to reading.

Mrs. E. B. Armstrong, Peterborough's Laurie Hillyer, has described our reading room so nicely:

"The library is a pleasant place to spend an afternoon. A spectated boy is reading the *Geographic*; a white-haired gentleman is barricaded by the *London Illustrated News*; a young woman in slacks and beret has her nose in *Who's Who*. The clock ticks. From an adjoining room comes a muted hi-fi playing Mozart. On the wall is Van Gogh's painting of sunflowers, *Les Tournesols*, appropriate because of the film *Lust for Life*. Behind the long-winged desk is Mr. Bertrand — or Mrs. Hunter or Mrs. Pearson — thoughtfully making arrangements to send to the State Library in Concord for a book not on the Peterborough shelves. The bust of the whiskered Rev. Morison looks benignly down, doubtless pleased with what he sees.

"The feeling of quiet, peace and order is appreciated by children — children who love to read — as well as by adults. In a library, as in literature, it is the overtone which is important — the overtone that is an invitation to mental exploration without which a library, no matter how competently chosen the books, is useless. The overtone, the atmosphere, of our library is a tribute to all who are employed within the Peterborough Town Library."

ALLEN BERTRAND, Librarian

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1956.

STATISTICS ON ARRESTS

Number of persons arrested, male	102	
Number of persons arrested, female	5	
	—	
Arrests		107
Offenses		126
Residents	20

REPORT OF CHIEF OF FIRE DEPARTMENT

To the Selectmen of Peterborough, N. H.:

I submit my report from January 1, 1956 to December 31, 1956.

Alarms	14	
Still alarms	5	
False alarms	0	
	—	19
Chimney fires	1	
Brush and grass fires	3	
Car fires	1	
Oil burner fires	4	
Building fires	9	
Miscellaneous	1	
	—	19

We have added to our equipment at the Fire Station a portable 2500 watt auxiliary lighting plant for emergencies of any kind. From our yearly appropriation we had the inside of the Fire Station painted.

The Department wishes to say "thank you" to everyone who has assisted us this past year and to ask for your continued interest and cooperation.

Respectfully submitted,

DAVID J. ROCHFORD

Chief

REPORT OF ADAMS PLAYGROUND COMMITTEE

The Peterborough Playground and Pool opened June 25th for a nine week summer season in 1956.

The Playground enjoyed greatly increased activity under the supervision of Howard Cutting and with the aid and personal interest of Lawrence Bishop. An enlarged Little League Baseball program and more emphasis on softball featured this revival of interest.

The swimming pool maintained its high level of popularity with swimming instruction through all classes scheduled five mornings per week and free swimming available in the afternoon. In addition, one night per week was made available for adults' free swim. Instructors and life guards were Dolly Waite and Brenda Blomgren. Mary Bristol was bath-house attendant and both Howard Cutting and John Whelan also served as instructors with Mr. Cutting in over-all charge.

Under the able direction of Ruth Fitzgerald, assisted for a time by Donald Kenyon, handicraft work for the younger children was again a popular feature, with the safety factor of concentrated activities again looming large in importance.

Several capital improvements were made this year, including purchase of two new power mowers and replacement of the pump motor at the Pool. John Whelan, in over-all charge of Maintenance, also was active assisting at both the Playground or Pool, while Ronald Bailey assisted with general maintenances. Another well-deserved expenditure involved work on the grounds at the Playground: seeding, grading, addition of loam and fertilizer and the installation of water on that side of the road.

Projected plans for 1957 include continuation of existing summer activities plus the erection of a skating rink for winter use adjacent to existing facilities west of the Pool, under the supervision of the Playground Committee. Your committee is indebted for this idea to the Parent-Teachers' Association, the Youth Center Study Committee and the Peterborough Planning Board, all of whom have been studying this problem and contributing greatly to what we trust will be a final and satisfactory solution.

Since the water and chlorinating system has gone without major replacement for some 20 years it is apparent that the voters should act to replace items that are currently breaking down and soon may become inoperative.

We recommend that attention be given to the filtration system at the Pool, that a new pump be installed, the filter charges must be cleaned and also we wish to state that we may or may not need new apparatus for the introduction of chemicals to the water. We must wait until this summer when the pool is in operation to de-

termine if the added pressure gained by these expenditures will solve problems that exist in our vacuum cleaning system. We also wish to endorse the Youth Center Study Committee's recommendation that the town engage a full time Recreation Director at a salary of \$4500 per year to function under the direction of this committee so as to make available to townspeople of all ages a well-integrated year round program in this area.

Your committee feels that activity at the Playground is on the rise and is quite satisfied with the summer activities.

Respectfully submitted,

Walter R. Peterson, Jr., Chairman
Henry H. Franklin
Mary B. Fitzgerald
Gerald H. Faunce
Lawrence Bishop

REPORT OF RECREATION COMMITTEE

At the 1956 Town Meeting the Recreation Committee was asked to make a study of the recreational program and facilities of Peterborough. This assignment was carried out through conferences and meetings with all interested organizations.

After an exhaustive study of proposals, there seemed to be clear-cut evidence that Peterborough will eventually need the services of a full time Supervisor of Recreation. However, there remains the matter of providing and organizing facilities before any major assignment of operations can be made.

Your Committee, therefore, has joined as an excellent starting project the plan to be presented by the Planning Board, which provides the most needed facility, namely a skating area, for 1958.

The Committee does not submit this report as final but as one of progress and hopes that the Town will see fit to support the Article on Recreation in the Town Warrant. This article will automatically continue the study of the recreational program and needs for our town.

EDWARD G. LOBACKI

Chairman

REPORT OF THE PETERBOROUGH PLANNING BOARD

Three assignments were given to the Planning Board at the 1956 Town Meeting:

1. To study the road conditions of the town and make recommendations as to their repair.

This project has been one which the Planning Board has reviewed with the Selectmen and some citizens. A joint meeting with the Selectmen brought agreement in regard to repairing High Street to a point joining the improved road at the Colony Hall and to reconstruct the Windy Row road as far as funds and time would permit this year. However, further study of all the highways in the town is being made and a report to the 1958 Town Meeting contemplated.

2. Town lighting: This study was projected with the co-operation of the Public Service Company of New Hampshire and a comprehensive as well as a progressive plan has been displayed. The chief merit of the plan is that it provides adequate lighting on the basis of area need rather than on individual requests. It provides for modern units and when and if the town votes to use and complete the program, it will add approximately \$5,000 per year to the present, \$7,200 per year lighting expense. There should be further study of lighting outside the compact center of the town and the Planning Board will further this project during the year.

3. A sum of \$1,000 was voted as the Town's share of a joint state and federal program of building an accurate base map of the town. This project is being executed at the present time, although not started until recently. Time has been consumed in completing the program of contracts, approval and the securing of professional services. Aerial photograph maps have been ordered as the basic data for accurate town maps of a general layout, the residential areas and the business areas of each of the town's four centers. It is contemplated that at the 1958 Town Meeting much of this work will be available for study and planning.

The completion of the entire program of the War Memorial occurred upon the unveiling of the Korean War Plaque this past year. A portion of the sidewalk projects now contemplated by the Selectmen will greatly improve the War Memorial area and will be a material improvement in the appearance of that area.

The Board has further interested itself in the usual routine items but especially endeavored to unify the planning and use of town owned areas for recreation. Chief among these was the matter of adequate facilities for skating. A suggested solution of this problem will be presented to the Town for action. The

Board was pleased to be invited to join other groups in the discussion of a unified recreational program and accordingly met with several groups in relation to the subject.

The matter of Town Planning is still before the Board in relation to zoning, but until adequate data can be presented as the result of studies now being made, there is no specific project placed before the voters for action this year.

REPORT OF THE COMMITTEE TO STUDY AND MAKE RECOMMENDATIONS FOR IMPROVING THE TOWN REPORT

Your committee, appointed pursuant to a motion passed at the Annual Town Meeting, March 1956, and named by the Moderator, consists of one member from the Board of Selectmen, the Planning Board and the Budget Committee. We have studied the 1955 Peterborough Reports and those of several other towns. Many of these are striking reports which could be emulated here but, unless and, until the town desires a permanent Town Report Committee, charged with the responsibility of assembling and editing the reports, we feel the best thing that can be done is to streamline and simplify the present reports. We had several ideas and suggestions in mind but find that some of them would be out of line with the many requirements of the Division of Municipal Accounting of the State Tax Commission, which, we understand, must be met.

Briefly our recommendations include double columnning the list of Town Officers to save space and expense with probably no sacrifice in legibility and clarity. The Warrant cannot be changed in format but we would like to see a brief resume of the previous year's meeting following the Warrant. There is little that can be changed in the Budget, or Budget Committee Reports, except possibly to make the latter briefer. There appears to be considerable duplication in the Comparative Statement, Statement of Appropriations, and Budget but these all are a must according to the Tax Commission.

We would suggest the elimination of most of the detail, particularly names of persons, companies, and amounts paid out or paid in, under the Detailed Statement of Payments and Receipts. Headings, such as "Labor" or "Services," "Supplies," "Expenses" or "Rental of Equipment" with totals should suffice. We would like to see, however, a brief summary of the number of miles of roads in town, distances built, tarred, plowed etc. In other words, we feel it is much more important to know what we got for our money than how much people paid or were paid for services rendered. The Water Department did a fine job of so describing its activities in the 1955 report. Your committee wonders, in the case of the Water Department, if it is necessary to print the list of unpaid water accounts. To us this seems a printing expense that might be eliminated. If this information does have to be printed could it not be set up in paragraph style with the name followed by the amount owed rather than several pages of names and amounts in column style?

Some economies could be effected in the Trust Funds section with the possibility of the Library and other funds being printed in paragraph form. We are not quite sure whether the fine print listing of Trust Funds need be printed and suggest that, if not, this

be dispensed with. This is very expensive to print and is probably read by very few taxpayers.

The Tax Collector's Report which was in the back of the 1955 report will be found in front this year where it belongs. A good deal of space could be saved in this report by either listing unpaid taxes in paragraph form, or, where the figures are repeated, such as unpaid polls, they could be run two columns to the page. We have asked that this be done in this year's report and you will see this list set up in this manner.

We have little comment to make on such reports as the Playground, Library, or Planning Board. They appear to be as clear, concise and brief as is commensurate with the functions of these committees. We have no suggestions to make as to the Fire or Police Department reports; they seem as clear and yet as brief as possible.

The committee would like to see the Vital Statistics at the end of the town activities rather than at the end of the School Reports where they do not seem to belong. The Tax Commission, however, says that the "Vitals" should be at the very end of the town report.

There is little upon which to comment in the School Report. Some feel that it is too long and tends to wordiness; we see little that can be eliminated or pared, at the same time giving the taxpayers the complete picture of what our schools are doing.

In conclusion, we feel that if the aforementioned suggestions and recommendations are followed in preparing the Town Report another year the readers will be as well informed on town affairs as at present (and in some cases better) and at the same time a saving to the town of some money in the cost of printing will be accomplished.

B. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:30 A. M., and by having it announced over radio station WBZ at the same time approximately. When the No-School Signal is given it means that there will be no school all day. If on a day when the weather looks so bad that one suspects there will be no school and by 7:30 has not heard the no-school whistle nor the no-school announcement on the radio, one can find out if there is to be no-school by asking the telephone operator.

1958

Jan. 6 Schools reopen.
 Feb. 21 Schools close—winter vacation.
 Mar. 3 Schools reopen.

D. REPORT OF DISTRICT CLERK

At a meeting of the Inhabitants of the School District of Peterborough qualified to vote in School District affairs, holden at the Town House in said District on Tuesday the 13th day of March, 1956 at 8:00 o'clock in the forenoon. The Moderator, Maurice H. Blodgett presided and called the meeting to order and proceeded with the business as follows:

After the reading of the Warrant, a motion was presented that the polls of the Peterborough School District close at 1:00 P. M. and at 1:00 P. M. the District take up articles 5 through 13 of the School Warrant. Voting for the offices of Moderator, Clerk and Treasurer and member of the School Board for three years until 1:00 o'clock.

At one:fifteen of the Clock, the Moderator called the meeting to order and the High School Varsity Chorus under the direction of George W. Breakwell, Music Supervisor, sang the Peterborough Hymn by Edward MacDowell, "God of Our Fathers." Miss Florence Hancock accompanied the group.

Article 5 was then considered, and the following motions were presented and passed without discussion.

- (a) Moved: That the salary of each School Board member be \$50.00 for the ensuing year.
- (b) Moved: That the salary of the District Treasurer be \$75. for the ensuing year.
- (c) Moved: That the salary of the Moderator be \$10 for the ensuing year.
- (d) Moved: That the salary of the School District Clerk be \$10 for the ensuing year.
- (e) Moved: That the salary of each Ballot Clerk be \$5.00 for the ensuing year.

Under Article 6, it was voted that the reports of the Clerk and Treasurer be accepted as printed.

Earl N. Shultz, Chairman of the Building Committee read the following report and moved for its acceptance:

Report of the Building Committee:

The Peterborough Consolidated School is now a reality. The history back of this project is interesting and fruitful. Space does not permit the inclusion of this history which was so well reported in the January 26 issue of the Peterborough Transcript.

Briefly listed are the highlights of the Building Committee work.

March, 1954 School District Meeting. Appointment of the Building Committee.

March 10, 1954 First Meeting held.

March 23, 1954 Mr. Irving W. Hersey engaged as architect.

April 21, 1954 First plan submitted.

May 14, 1954 Plan accepted.

June 10, 1954 Bond issue under way.

August 16, 1954 Bids opened and contract awarded to the P. Madonia Co. at a price of \$380,702.00.

August 30, 1954 Construction started.

September 12, 1955 School started with all classes functioning under one roof.

January 20, 1956 Building accepted.

January 29, 1956 Dedication ceremonies held.

During the period of construction, the Building Committee kept in close touch with the progress and many problems had to be solved. The Committee met weekly and sometimes additional meetings were necessary. The School Board and the Superintendent and the architect or a member of his staff attended these meetings. Additional projects were added to the building program at the 1955 Annual meeting on March 8, and at the adjourned meeting on March 15. The sum of \$11,300.00 was appropriated for grading and seeding, \$3,100.00 for building a road, \$2,500.00 for the construction of a parking lot, \$2,700.00 for the construction of a retaining wall and \$6,000.00 for constructing a floor, installing light and heat in the basement of the elementary wing.

Two members of the committee deserve mention in carrying out these projects. Mr. Martin Keenan supervised the road building project and Mr. Forrest Mercer the grading and seeding. These men worked out a very satisfactory method of handling the school busses and other traffic.

The Committee believes that a very satisfactory job has been done by the Contractor, Mr. Madonia who carried out his contract at a personal sacrifice.

The Architect, Mr. Hersey did a very good job of planning which has been demonstrated through the use of the building.

The Peterborough Consolidated School is making Peterborough more and more a center for the surrounding communities. In the school year 1954-1955 there were 112 tuition pupils. This year there are 165 tuition pupils whose tuition fees total \$48,953.00.

We now have a plant in which educational opportunities are offered that we can regard with pride. The facilities available will attract and hold good teachers which are so essential to our educational program.

Again the Committee expresses its appreciation to the School Board, the School Superintendent and all others who contributed so much to the completion of this project.

Signed: Edith T. Wilder, Bertram C. Clukay, H. LeGro Lane, George M. Kendall, Kenneth A. Brighton, Karl B. Musser, Earl N. Shultz, Martin J. Keenan, Forrest F. Tenney, Margaret H. Clement and Forrest C. Mercer.

BERTRAM C. CLUKAY

Chairman School Board

LESTER B. BADGER

Superintendent of Schools

It was voted to accept the report and financial statement, and a rising vote of thanks was given the committee.

Under Article 7, the following motion was passed.

Moved: That the Municipal Accounting of the State Tax Commission be requested to audit the accounts of the Treasurer and the School Board.

Under Article 8.

Moved: That the School District raise and appropriate \$239,197.00 and to authorize and direct the School Board to apply against said appropriation such income as is estimated by the School Board, exclusive of State Aid, and upon the determination of the amount of State Aid to be received by the School District during the next fiscal year, to authorize and direct the School Board to apply against such appropriation the sum to be received from state aid and with the School District clerk certify to the Selectmen the balance as an assessment to be raised by the Town for school purposes. Mr. Clukay of the School Board explained the various expenditures in the budget, and Mrs. Margaret Clement explained the various receipts and the motion passed without discussion.

Under Article 9 the following motion was passed.

Moved: That the District raise and appropriate the sum of \$4,000.00 for the purchase of new equipment.

Article 10.

Moved: That the District raise and appropriate \$5,000.00 for the additional grading and seeding and maintenance of the school grounds. The motion passed.

Article 11. Under Article 11 the following motion was passed.

Moved: That the District raise and appropriate in addition to the original appropriation for 1955-1956, the sum of \$9,471.00 to be made available to the School District prior to July 1, 1956 in order to meet unanticipated obligations caused by increased enrollments, increased transportation and additional expenses for custodial service, electricity and repairs and maintenance, and to authorize the application against said appropriation of unanticipated income from tuitions of \$9,471.00.

It was voted that action under Article 12 be indefinitely postponed.

Under Article 13 the following motion was passed.

Moved: That the District authorize the School Board to sell the Happy Valley School House and lot. It was voted to recess the meeting until after the ballots had been counted. Result of the voting for School District Officials.

For Moderator, Maurice H. Blodgett 911 Votes.

For Clerk, Helen A. Keenan 929 Votes.

For Treasurer, Robert Derby 921 Votes.

For School Board Member for Three Years, Bertram C. Clukay 920 Votes.

The meeting was declared adjourned at 8:30 o'clock.

S/HELEN A. KEENAN

School District Clerk

A True Copy

SCHOOL WARRANT

To the Inhabitants of the School District in the town of Peterborough qualified to vote in the district affairs:

You are hereby notified to meet at the Town House in said district on the 12th day of March 1957, at 8:30 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Member of the Shcool Board for the ensuing two years.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
7. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
8. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
10. To see if the district will vote to raise and appropriate in addition to the original appropriation for 1956-57 the sum of \$6,389.62 in order to meet unanticipated obligations caused by increased enrollments, repairs and maintenance, and a school lunch program deficit, and to authorize the application against such appropriation of the unanticipated income from tuitions of \$4,503.63 and the balance of \$1,885.99 to be raised by taxes by the Town and made available to the school district prior to July 1, 1957.

11. To see if the district will vote to raise and appropriate \$1,000.00 for the purchase and installation of steel venetian blinds for the windows in the elementary wing basement to conform with the request of the Civil Defense authorities, or take any other action relating thereto.

12. To see if the district will vote to authorize the school board to sell the Central School, so-called, or take any other action relating thereto.

Given under our hands at said Peterborough this 8th day of February, 1957.

S/MARGARET H. CLEMENT

S/H. LEGRO LANE

B. PROGRAM AND METHODS

On September 5th Peterborough Consolidated School opened with ten new members on its faculty as follows:

Nancy A. Angwin, Math. & Civics; Jane F. Barry, French, Latin, and English; Harold L. Briggs, Commercial subjects; Virginia A. Crossman, Physical Education, Grades 1-12; Harold H. Haywood, English; Myrtie F. Kullgren, Grade 1; Joan E. Tierney, Grade 5; Lucille J. Vogel, Grade 2; Neil S. Bartlett, Music; and Gerald A. Miller, Art.

An innovation this year was the transportation provided by the new transporter, Harold A. Clukay of Dublin. All new equipment assures greater pupil safety and facilitates adhering to the time schedule established by the School District.

Loading areas in front of the school provide an excellent situation for loading and unloading the boys and girls.

This year school facilities have been made available to the students during vacation periods for recreational purposes under volunteer supervision from the community.

Of particular interest in the area of improving instruction was the introduction of an experimental program in reading. Children needing special help in reading were identified and grouped within classrooms at the second and third grade levels and taught by the Gillingham method. This has proved very successful, and it is the hope of the staff to finally incorporate this type of instruction into the regular course of study. The program has received much attention from educators in and out of the state and has served as a motivator in getting similar ones going in other communities.

The science department was fortunate to have special instruction on atomic energy. In November, Mr. Elmer Galley, representing the Atomic Energy Institute of Oak Ridge, conducted a special one-week instructional program for students of the Physics and Chemistry Classes. Peterborough was one of the two hundred schools in the United States selected for this special program.

Elementary teachers in an effort to improve the teaching of reading, writing, and spelling conducted an evaluation of their instructional program in this area during the winter and spring of 1956. In October they conducted a one-day workshop as a follow-up on their evaluation and Dr. B. Alice Crossley of Boston University, brought them up-to-date on current research and practices.

In the area of music an instrumental music program was initiated and carried out with an instructor from the Fitchburg Music Company. Approximately 40 students enrolled in this program. Due to the lack of an instructor the program was not resumed in September. In November an arrangement was

made with the Beacon Music Store in Boston, for an instructor and lessons were resumed in January, 1957. Along with this, band instruction has been continued. An unusual musical event this year was the performance for the first time of Handel's Messiah at Christmas time by the combined High School Chorus and student soloists.

The Student Council of Peterborough High School received unusual recognition this year by being recognized as one of the six leading student councils in New Hampshire by the National Student Council Association.

PART III. SCHOOL PLANT

F. STATE AUDITORS' REPORT

**REPORT OF AN EXAMINATION AND AUDIT OF THE
ACCOUNTS OF THE PETERBOROUGH SCHOOL DISTRICT, for the fiscal year ended June 30, 1956 made by
THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION, August 1 & 2, 1956**

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 24, 1956

The School Board
Peterborough School District
Peterborough, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterborough School District for the fiscal year ended June 30, 1956, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1955 and June 30, 1956, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$17,924.16 during the fiscal year ended June 30, 1956.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1956, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$9,592.31, less a net overdraft of appropriations of \$8,199.82, resulted in a net budget surplus of \$1,392.49.

Summary of Receipts and Expenditures: (Exhibit E-1)

A summary of receipts and expenditures for the fiscal year ended June 30, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1956, is indicated in Exhibit E-2.

Building Fund Account: (Exhibit F)

A summarized statement showing the activity in the Building Fund Account during the fiscal year ended June 30, 1956, is presented in Exhibit F.

Statement of Bonded Debt: (Exhibit H)

A statement of the Bonded Indebtedness of the School District as of June 30, 1956, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS

Current Deficit:

It is noted that as of June 30, 1956, there was a current deficit (excess of current liabilities over total assets) in the amount of \$4,036.40, as indicated herewith:

Current Liabilities	\$10,437 49
Total Assets	6,401 09
	<hr/>
Current Deficit	\$4,036 40

This resulted from income taxes withheld but not remitted at the close of the fiscal year, amounting to \$3,356.90, and other accounts payable of \$1,449.53, which are included in the Balance Sheet as liability items.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

Concord, New Hampshire

August 24, 1956

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1956, and found them to be in good order.

In our opinion, the Exhibits included herewith reflect the true financial condition of the School District as of June 30, 1956, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Hugh J. Cassidy, Accountant

PART V. CHILD ACCOUNTING AND STATISTICS

A. PROMOTION TO HIGH SCHOOL

The following fifty-three pupils as compared with fifty-two in 1955 and forty-one in 1954, were promoted to High School in June, 1956:

Carol Baker, Thomas Baker, Maurice Barry, Maurice Belmore, Linda Blanchard, Ronald Bowman, John Burke, Polly Carll, Diane Carpenter, Lloyd Cochran, Kathleen Costello, Richard Craig, Stanley Davis, Alan Easton, Deanna Edmunds, Gwenne Estona, Thomas Farrell, Robert Flanders, John Fortin, Daniel Geoffrey, John Glazier, Anne Gilbert, Charles Grant, Susan Hatfield, Richard Jordan, Stephen Little, Terence Lowe, Alan Mawhinney, James McDonald, Nancy Muncil, Roger Murray, Earl Naglie, Marjorie Nichols, Marlin Pierce, Brenda Reynolds, Robert Richardson, Clorinda Rossi, Robert Russell, Christine Ryan, Virginia Sampson, Jane Stewart, Peter Stromgren, Peter Stuhlsatz, Ronald Tansey, Bruce Vanni, Ernest Vose, Christine Wenblad, Ray West, Bonnie Wheeler, Wallace Whitney, Francis Williams, Nancy Wright, and Joyce Yelland.

B. GRADUATIONS FROM HIGH SCHOOL

Fifty-two students as compared with forty for 1955 and forty-three for 1954 were graduated from Peterborough High School in June, 1956:

William Bailey, Thomas Bair, Lorraine Blanchette, Bruce Brenner, Ronald Bunce, Donald Burke, Allan Burrows, Barbara Carter, James Champagne, Peter Cordatos, Judith Cutter, James Dodge, Janice Dolan, Millard Edwards, Elaine Florre, Dorothy Gray, Jean Guinard, Lillian Gupitill, Gale Hennessey, Anne Hill, Richard Hoyt, Elliott Huckins, Elizabeth Johnson, Robert Kierstead, Gordon Knight, Leslie MacNutt, Elaine Martin, Jere Morris, Lillie Naglie, Edward Niemela, Michael Odell, Fred Otterson, Danlee Paquet, John Plimpton, Maureen Plimpton, Alice Powers, Jack Quinn, Peggy Rajaniemi, Roger Reynolds, Elizabeth Robertson, Wayne Robinson, Nancy Rodger, George Russell, Jean Simonetta, Joan Simonetta, Charles Smith, Constance Taft, Martha Tenney, Burton Walker, Michael Walker, David Wilder, and Chris Yakovakis.

What do Peterborough High School graduates do on graduating? Those who graduated in 1956 are doing as follows:

40.3% have entered college.

7.7% have started specialized training in post-secondary institutions other than colleges.

13.5% entered the Armed Services.

7.7% found employment in clerical positions.

27.0% are engaged in miscellaneous employment.

1.9% are at home.

1.9% are married.

C. STATISTICS FOR THE YEAR ENDING JUNE 30, 1956

	HIGH	ELEM.	TOTAL

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS**A. HEALTH**

To the Inhabitants and Taxpayers of the Peterborough School District:

December 31st symbolizes many things. To the taxpayers of the town it means the closing of the town books. To the health educator, the reviewing of records and the compiling of all the school health services. In completing this resume one finds

many health problems. Many of these are viewed with a different aspect and others are brought into clearer focus. You will find listed below the different services conducted throughout the year and the number of children who have participated in the various programs. But of what value is this to you if the problems found during the year are not brought to your attention?

The breakdown of my work from January 1, 1956 to January 1, 1957, is as follows:

Physical examinations	410
Defects	62
Heights and weights	509
Vision screening	144
Audiometer testing	449
Dental Clinics (No. Children)	24
Dental corrections	45
Sight conservation (Glasses)	26
Individual consultations	983
Vitamin Program	84
Speech Therapy	6
Polio Vaccine	587
Tuberculosis Patch Test	258
Chest X-Ray	78
Pre-school Physicals	45
Accident Insurance (Insured)	511
Reported Claims	45
Home Visits	44
Home Contacts	133
Professional Contacts	48
Communicable Diseases (Reported)	65

How much time do we spend a day listening to our children's problems? Our day is allotted to employment, shopping, entertainment, and club participation. We must remember that "growing up" is a hard job and that problems which seem minor to us as adults appear like an insurmountable mountain to our children. Thus mental hygiene must become a daily routine if the school services are to be utilized to their fullest.

The poem, "After School," from the R. & R. Magazine, I feel, emits many ideas in keeping with this subject, and I would like to include it in this report to you.

After School

The house should have a cookie jar,
 For when it's half-past three
 And children hurry home from school
 As hungry as can be,
 There's nothing quite so splendid
 In filling children up,
 As spicy, fluffy ginger cakes,
 And sweet milk in a cup.
 A house should have a mother
 Waiting with a hug,
 No matter what a boy brings home,
 A puppy or a bug.
 For children only loiter
 When the bell rings dismiss,
 If no one's home to greet them
 With a cookie or a kiss!

Respectfully submitted,
 S/GLADYS NEWHALL, R.N., B.S., Ed.M.

BY ROBERT L. FILBIN

Helping Teacher

Remedial reading instruction is something which is getting a lot of attention in our schools these days. Many teachers have become aware of the wide range of reading ability they find in their children. Some of them have raised a hue and cry with the result that there are remedial reading teachers, reading consultants, harassed principals devoting a part of their day to working with the problems of children, or in the type situation where this is not possible, fresh new supplies of very colorful phonics books, and a distraught teacher wondering why what she does doesn't have better results.

At the Peterborough Consolidated School two teachers, Mrs. Dorothy Morris and Mrs. Barbara Carll, are conducting an experiment in remedial reading in the classroom.

The background of this story begins in the spring of 1955 when I was invited by Dr. Richard Eustis, a well-known Boston pediatrician, to hear Anna Gillingham, remedial reading pioneer, speak at the Children's Medical Center in Boston. This outstanding woman held her audience of teachers and parents spellbound as she recounted the story of her work. Her statement that there are by conservative estimate 3,411,340 children mentally normal or even highly intelligent in the United States who cannot acquire by current methods effective reading and spelling skill, fell very forcefully upon my ears. I had heard

teachers express dismay over children who did not learn to read and spell in spite of their best efforts and had heard children fumble hopelessly for words they could not possibly pronounce and had wondered about the services of a remedial reading person. My immediate reaction was to get Anna Gillingham up to New Hampshire to speak to the elementary teachers of the schools I serve. She consented to come up from New York and did an outstanding job in speaking to them.

Mrs. Morris and Mrs. Carll were two of these teachers. After hearing Miss Gillingham they decided they wished to do something about the children of normal and above normal intelligence in their classrooms who had not learned to read and spell. Mrs. Morris, who teaches a second grade, and Mrs. Carll, who teaches a third grade, were provided with copies of Miss Gillingham's manual, "Remedial Training for Children with Specific Disability in Reading, Spelling and Penmanship."

As Mrs. Morris said, "Confronted with the thick manual I felt as baffled as I do when following directions for knitting a Scandinavian sweater, so I decided to adopt the same method and to read and do just one line at a time. It worked quite as well with reading as it does in knitting."

How were the children identified who needed this special help? First of all, as mentioned above, they were children of normal and above normal intelligence who had failed to learn to read to the best of their abilities. Some of the children were ambidextrous, sometimes stuttered, were usually good in arithmetic, frequently reversed words ("was" instead of "saw") not only in reading but spelling. They faltered in oral reading, failing to get proper attacks, making impossible guesses, and usually ending up in a state of flustered confusion. Actually there are about twenty per cent of all children in American public school classrooms who fit this description.

The approach set forth by Miss Gillingham is an alphabetic approach. The children are taught a few letters comprising one or two short sounds and consonants that have only unequivocal sound and forms which do not become another letter reversed (as b and d). When these letters are known by their names and sounds they can be made into words—synthetic phonics. Slowly new letters and letter combinations are introduced and new words are added and finally used in sentences.

Using this method both teachers worked with their "Gillingham" group for the year. The results were astonishing. Where the children had been stymied at pronouncing words, they themselves were astonished when they could sound out words beyond their grade level. The other children in the room who were learning by the sight-recognition method became interested and begged to read the word cards and to write the sounds on the board as the other children did.

The teachers felt that the most gratifying outcome of the experiment was the fact that the children who had been "misfits" because of their lack of reading ability in September were **part** of the class group in June, making their own contribution and realizing that they now belonged.

What about the Peterborough Project and the future? This year the program is to be expanded. Children entering the first grade will be tested to see whether they are potential language disabilities and will be grouped within the classroom and taught by the Gillingham method. It will be used in the second and third grade classrooms and in one fourth grade classroom. It is the hope of the staff to finally incorporate the program into the regular course of study, grades one through six.

This is considered to be an experiment by those participating. It is felt that the major portion of reading difficulties can be handled in the classroom by these methods and it is our hope to have sufficient data at the end of four years to prove it is. In the meantime, the children who have been taught to read as a result of the work done this year are our hope for what is to come—for is it not the obligation of the school to teach all children capable of learning to read and spell to the best of their ability? This is the challenge. We have accepted it.

VITAL STATISTICS

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
